## "The Beginnings"

## Lesson #1 & Lesson #2

## "What Do the Blessings & Curses Say?"

**Our Creator GOD** always wanted to be known of and by all his **creations**, especially by man, his most prized creation. So, He chose a man to be the father of the nation that He would reveal Himself to and through to the rest of the world. That righteous man was **Abraham**, and he became the father of the nation of **Hebrew Israelites**, through his son and grandson, **Isaac and Jacob**. GOD had a covenant relationship with Abram and made promises to him about the land He would give him and his descendants, the innumerable descendants he would have, and great blessings, if he would only obey his instructions and the covenant He made with him. **Abraham was faithful**, but was told his descendants would not be faithful and would go into several captivities as a result of their disobedience.

**Israel officially became GOD's chosen people once He gave his laws to them.** He told them of the blessings they would receive if they were obedient, but also the curses if they were disobedient. To help decide who the real Israelites are, the "Jews" currently in the Holy Land, or the Black Negro peoples of African descent scattered around the world, just look at the blessings and curses of **Deut. 28**. They reveal that neither group has been overtaken by the blessings, but unmistakably the Black Negroes have been overtaken by the curses. Our worst life-story of slavery is told in great details in Deut. 28. The curse of slavery brought about many of the other curses GOD promised would overtake Israel for their disobedience. Repentance is what will bring GOD to our rescue.

## "How Did They Get Into Europe & Israel?"

## Lesson #3 & Lesson #4

## "Who is Our Father & How Did We Get in Africa?"

***There are two main groups of Jews in Israel today – Ashkenazi & Sephardic.*** The Sephardic are true Jews resulting from the Spanish expulsion of all Jews from Spain in 1492. The Ashkenazi Jews came from Russia, Germany, Poland (Europe) because those places were their homelands. They are descendants of Noah's grandson, Ashkenaz. They migrated into Israel as converts to Judaism after WW I by way of the **Balfour Declaration**, giving them, the Zionists, the right to establish a Jewish nation in Palestine. This gathering of "Jews" was not the gathering by GOD of the Jews back to Israel. They are not descendants of Abraham and have "stolen" the identity of the Black Jews and are currently in the Promised Land, for now by permission of GOD.

***A few prophecies fulfilled by us the Black Negroes:*** 1) Scattered in nations around the world by slavery in ships, 2) Our slavery was the 7<sup>th</sup> punishment GOD promised, 3) Our slave-life matches *Deut. 28*, 4) The curses identify us, 5) Ashkenazi Jews are Edomites, who stole Jacob's identity and religion, 6) We are known by many by-words, 7) There are 72% more of us than Ashkenazi Jews, 8) GOD said He would gather us from the four corners of the earth. We can't be Hamites if all the prophecies about us are true. **The ten tribes of Israel** - fled into Sub-Shara Africa fleeing the Assyrian captivity. **The two tribes of Judah** - fled into Sub-Shara Africa fleeing Roman captivity after 70 AD. **If these prophecies are all true, we have to be descendants of Abraham, Isaac & Jacob and NOT HAM.**
