Answers to the Questions

1. **We have not <u>internalized</u> yet, who we really are, and therefore what this Gospel really should mean to us.**

   - What does internalize means? - To **internalize** something is to **<u>move it from an external concept</u>**—like a rule, a skill, or a value — **<u>into a fundamental part of who you are or how you operate</u>**. It is the process where a piece of information or a behavior <u>becomes so deeply integrated into your mind that you no longer have to consciously think about it to apply it</u>.

Answers to the Questions

1. Cont'd

   - What we have perfectly internalized is – that we are **Black Negroid People** - and all that this label carries with it. We live, sleep, eat and teach our children what this means for them to live in this world as Black People.

Answers to the Questions

1. **We have not <u>internalized</u> yet, who we really are, and therefore what this Gospel really should mean to us.**

   - But do you know <u>who has internalized</u> what Israelites are supposed to be and do? The people who say they are "Jews", but are not.

   *(Rev 2:9 & **Rev 3:9**)* - *"Indeed I will make those of the synagogue of Satan, who **say they are Jews** and **are not**, but lie—indeed I will make them come and worship before your feet, and **to know that I have loved you**.*

Answers to the Questions

   - ***Isaiah 49:15-16*** - "***Can a woman forget*** *her nursing child, And not have compassion on the son of her womb? Surely, they may forget, Yet* ***<u>I will not forget you</u>***. [16]*See,* ***<u>I have inscribed you on the palms of My hands</u>***; *Your walls are continually before Me."*

Question: ***Do You Get Tired of Hearing About How to Live a Holy Life? Over & Over!***

Answers to the Questions

1. **We have not <u>internalized</u> yet, who we really are, and therefore what this Gospel really should mean to us.**

   - If we internalize <u>who we really are</u> – and <u>whose we really are</u> – then we will begin to appreciate the **history**, the **culture**, the **traditions** and the **promises** *YAH* has made to the people that we really are – which were all **beaten out of us** and **erased from our memory** and **the memory of the world**, as much as possible.
   - This will begin to change us from the inside out.

<u>Tired Hebrew Israelites</u>

1. Cont'd

   - Our subconscious thoughts and mind will begin to reflect the truth we have internalize – **I am *YAH*'s chosen people!** That must become a "**dear fact**" to you. Not Black American – the name they called us and we agreed to it. We've had so many names. Why?

Question: ***Do You Get Tired of Hearing About How to Live a Holy Life? Over & Over!***

Answers to the Questions

2. Next – we must know what is expected of us as this chosen people of *YAH*

- We must understand why we were chosen and what does it mean to be "chosen"
- This will begin to change us from the inside out.
- The answer to why is easy – **IT WAS *YAH's* CHOICE**. We had nothing to do with it.
- But *YAH* had a very specific reason for his choice – He wanted a people of his own – dedicated to Him and his work. And He made promises to the man he chose to be the father of the nation of people he chose.

Tired Hebrew Israelites

1. Cont'd

- This people would need to be trained for the work he had for them to do. *(See Short Lesson #11)*
- *He gave Moses the Torah and The Prophets, and then His Son and the Apostles – our Books of Instructions of how to become qualified to be his workmen.*

Question: ***Do You Get Tired of Hearing About How to Live a Holy Life? Over & Over!***

Answers to the Questions

2. **Next – we must know what is expected of us as this chosen people of *YAH*** *(Short Lesson #11)*
   - We must be different from the nations around us – how? *"Be ye holy for I am holy saith the LORD"*
   - Once we understand the points made in that *Short Lesson*, we can understand – ***why we must preach – teach – and rehearse these instructions over and over***.
   - Israel has had a long, tough road we have traveled because of our disobedience.
   - Let's not keep repeating the ways, the errors, the sins that our forefathers committed.
     (See Short Lesson #27)

Live with a glad & thankful heart!

2. The Good News

- We are destined to help *Yahushua* rule and reign during the Millennium and with *YAH* throughout eternity, as a "**Royal Priesthood**" unto the LORD!
- Hang in there – **we going somewhere!**
