## **I. I know where I'm going – the Lord has kept nothing back from us. He told us:**

- a. Don't let your heart be troubled – just believe
- b. He has gone to prepare a place for us - and promised to return for me, so we can be with Him, where He is
- c. But you know the way to where I'm going – He is the way, the truth and the life
- d. This world is not our eternal home – we are sojourners, not putting down roots, not storing up treasures, not becoming a part of this world's system.
- e. He told us we would suffer for His sake, a servant is not greater than his master - they hated Him and will hate us

## **II. I know about the place where I'm going:**

- a. It's in my Father's house – where there are many mansions (dwelling places)
- b. If it wasn't true, Jesus would have told us
- c. When he comes for us we are going back with Him to heaven

## **III. If you don't know the Lord as Savior, has Satan been that truthful with you?**

- a. Where are you going to spend eternity? Is your name in the book of life?
- b. Where is your eternal home – you won't even spend eternity in your own home – you are going to be sharing Satan's eternal home – the lake of fire.
